Registered Representative

Don Thompson joined Savage and Associates in 1991. After a 20 year work experience with two S&P 500 companies, Don transitioned into his career in financial planning. He holds a CFP® - Certified Financial Planner and CLTC – Certified in Long Term Care designations.**

Don helps married couples just starting their families, to baby boomers planning for and entering into retirement, but specializes in long term care. His mother had Alzheimer's disease and spent her last 9 years in an assisted living facility.
