

Damian Ogrodowski

Registered Representative

Experience

Damian came to Savage and Associates in 2006 after owning his own business locally. He has specialized in working with business owners, employees and families in preparing for all of life's stages – life insurance, education and retirement funding, personal finances, etc.

Education

Damian is a graduate of St. Francis de Sales High School in Toledo and has a Bachelor's degree in Economics from Denison University in Granville, Ohio. Damian is licensed for Ohio and Michigan Life and Health as well as Ohio Property and Casualty and is Series 7 and 66 securities registered. He has also completed his LUTCF® designation.

Personal

Damian and his wife, Melanie, live in downtown Waterville, Ohio with their two daughters, Lily and June. The family enjoys both playing and watching sports. Damian also volunteers with the American Cancer Society.
