

Quality care, done virtually

See a primary care provider or get same-day urgent care on your phone, tablet or computer

With virtual care through your UnitedHealthcare plan, get care any time.

Using your smartphone or other connected device,* like a tablet or a computer, you can access virtual primary and urgent care.

To schedule a virtual primary care appointment or access urgent care through 24/7 Virtual Visits, just download the UnitedHealthcare® app or visit myuhc.com/virtualcare.

What kind of virtual care might be right for you?

Virtual primary care:

- Annual wellness visits
- Regular follow-ups for conditions like asthma, diabetes, etc.
- Lab tests and preventive screenings
- Referrals to quality network specialists
- Medication review and prescriptions, if needed**
- Cost aligns with PCP benefit

24/7 Virtual Visits:

- Non-emergency care for common health issues like the flu, fevers, sore throats, etc.
- Non-emergency care for sudden health issues like pinkeye, migraines, back pain, even allergies and anxiety
- Prescription refills, if needed**
- Cost aligns with 24/7 Virtual Visits benefit

24/7 Virtual Visits is a service available with a provider via video, or audio-only where permitted under state law. It is not an insurance product or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. 24/7 Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.

Virtual primary care are services available with a provider via video, chat, email, or audio-only where permitted under state law. Virtual primary care services are only available if the provider is licensed in the state that the member is located at the time of the appointment. Virtual primary care is not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Certain prescriptions may not be available, and other restrictions may apply. The UnitedHealthcare® app is available for download for iPhone® or Android®. iPhone is a registered trademark of Apple, Inc. Android is a registered trademark of Google LLC.

Certain preventive care items and services, including immunizations, are provided as specified by applicable law, including the Patient Protection and Affordable Care Act (ACA), with no cost-sharing to you. These services may be based on your age and other health factors. Other routine services may be covered under your plan, and some plans may require copayments, coinsurance or deductibles for these benefits. Always review your benefit plan documents to determine your specific coverage details.
